8	Intimate wipes and similar products	0.09 %
9	Soap, shampoo, body wash and other rinse-off products	2.48 %
10A	Household products with hand contact / non-spray use	2.48 %
10B	Household aerosol or spray products	15.69 %
11A	Incidental skin transfer, including diapers and pads	0.09 %
11B	Incidental skin contact, including tissues and textiles	0.09 %
12	Non-skin-contact products, including candles, wax melts and incense	Not Limited %

Important: Maximum use levels are specific to the fragrance and intended finished-product category. This certificate confirms conformity with the IFRA Standards but does not replace a safety assessment or compliance with applicable national, regional, or local requirements. It is the responsibility of our customers to ensure the safety of the final product containing the fragrance oil by conducting thorough testing.

ANNEX 1

IFRA CATEGORY / PRODUCT TYPE GUIDE

The examples below summarize typical applications associated with each IFRA category under the 51st Amendment. The list is intended as a practical category guide and is not exhaustive; consult the current IFRA guidance when classification is uncertain.

IFRA CATEGORY	PRODUCT TYPE / APPLICATION EXAMPLES
IFRA Category 1	Lip products of all types, including solid or liquid lipsticks, lip balms, glosses and similar products; children's toys where fragrance may involve oral exposure.
IFRA Category 2	Deodorants and antiperspirants of all types, including sprays, sticks, roll-ons, underarm products and deo-colognes; body sprays and body mists.
IFRA Category 3	Eye-area cosmetics and care products such as eye shadow, mascara, eyeliner, eye masks and eye pillows; facial makeup and foundation; face/eye makeup removers; pore strips; face, neck, hand and body wipes; body/face paint; facial masks used on or around the eyes.
IFRA Category 4	Fine fragrance products of all types, including eau de toilette, perfume, cologne, solid perfume and fragrancing creams; aftershaves except creams/balms; fragranced bracelets; perfume-kit ingredients; scent pads, foil packs and scent strips for hydroalcoholic products.
IFRA Category 5A	Body creams, body oils and body lotions; foot-care creams and powders; insect repellents applied to skin; body powders and talc other than baby powders/talc.
IFRA Category 5B	Facial toners; facial moisturizers and creams, including beard and mustache care products.
IFRA Category 5C	Hand creams; nail and cuticle care products, including nail lacquer remover; hand sanitizers.
IFRA Category 5D	Baby creams and lotions; baby oils; baby powders and baby talc.
IFRA Category 6	Oral-care products including toothpaste, mouthwash, breath sprays, tooth powders, oral strips and mouthwash tablets.
IFRA Category 7A	Rinse-off hair permanent or chemical treatments, including relaxers and rinse-off hair dyes.
IFRA Category 7B	Hair sprays; non-spray styling aids such as mousse and gels; leave-on conditioners; leave-on chemical treatments and hair dyes; dry/waterless shampoo; hair deodorizer and hair perfume.
IFRA Category 8	Intimate wipes; intimate deodorant sprays; tampons; baby wipes; wet toilet paper.
IFRA Category 9	Bar and liquid soaps; shampoos; rinse-off facial cleansers and conditioners; body washes and shower gels; baby wash/bath/shampoo; bath gels, foams, mousses, salts, oils and bath bombs; foot soaks; shaving creams/gels/foams; depilatories and hair-removal waxes.
IFRA Category 10A	Hand-wash laundry detergents and pretreatments; hand dishwashing detergents; hard-surface cleaners; machine laundry detergents with skin contact; toilet-seat wipes; fabric softeners other than dryer sheets; fabric/carpet/leather cleaners and treatment sprays; floor wax; reed diffusers, potpourri and non-cartridge air-freshener refills; fragranced lamp-ring oils; ironing water; dry-cleaning kits involving manual textile application.
IFRA Category 10B	Sprays applied to animals; manual air-freshener sprays, including aerosol and pump formats; aerosol or spray insecticides.
IFRA Category 11A	Conventional feminine-hygiene pads and liners; interlabial pads; baby diapers; incontinence pants and pads; dry toilet paper.
IFRA Category 11B	Moisturizing tights; scented socks and gloves; dry facial tissues; napkins; pillow sprays; paper towels; wheat bags; non-medical paper/protective facial masks; solid fertilizers such as pellets or powders.
IFRA Category 12	Candles of all types; machine-wash detergents with minimal skin contact such as pods/tabs; automated air fresheners and closed-system fragrancing products; plug-ins; solid substrates, membranes and sachets; incense; cartridge refills; air-freshening crystals and solid car diffusers; air-delivery systems; cat litter; cell-phone cases; non-skin deodorizers/maskers; dryer sheets; fuels; non-spray insecticides such as mosquito coils; joss/incense sticks; machine dishwashing detergents/deodorizers; olfactive games; paints; plastic articles excluding toys; scratch-and-sniff products; scent packs and dry-air scent systems; shoe polish; toilet-rim blocks, toilet gels and scent beads.

Reference note: Product-type examples are summarized from IFRA 51st Amendment category guidance. IFRA Standards do not replace applicable national, regional or local regulatory requirements or a comprehensive safety assessment.
